

HOW CAN **THE DAY** BE USED IN YOUR SCHOOL

1

Use our articles in lessons across every subject as starter activities, as a lesson plan and for extension work.

2

Use The Day for reading schemes for students of all abilities with our full and adapted article versions.

3

Make The Day available for substitute teachers – it's the ideal resource to turn to when the regular teacher is away.

4

Use The Week's Agenda programme for form time with its weekly themes and daily activities.

5

Send login details to all students and parents so they can use The Day at home for homework and research.

6

Use The Day in societies and after school clubs like media, creative writing and debating.
