

HOW CAN **THE DAY** BE USED IN YOUR TEACHING

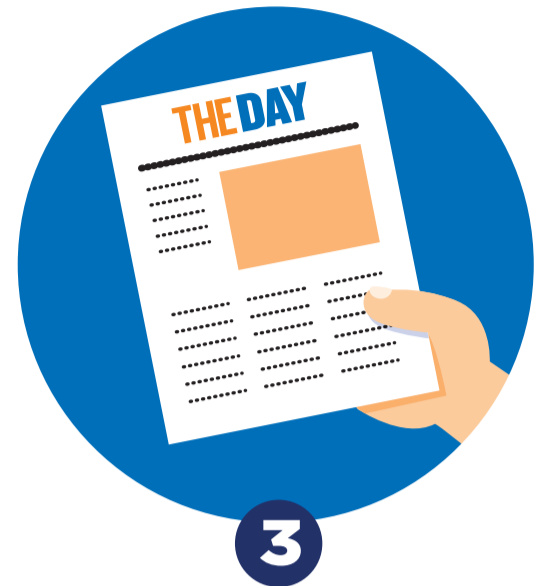

1

Bring the latest events and stories into your teaching and sign up to our Daily Headlines Email to get the latest stories in your inbox.

2

Save valuable preparation time with our archive of articles and features all tagged in subject areas.

3

Use our articles in lessons across every subject as starter activities, as a lesson plan and for extension work.

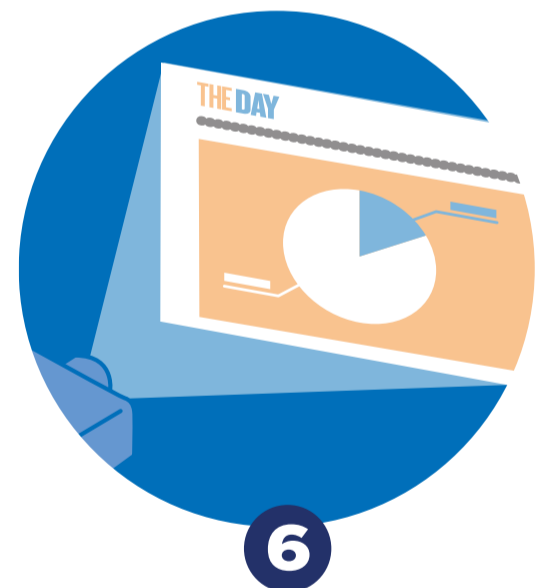

4

Print out any of our articles to use as reading and worksheets.

5

Use The Day to set challenging and exciting homework tasks.

6

Use our Presentation View to turn our articles into instant presentations for your class.
