# Where are we this week?

Its national bird is a crane!

This country begins with a 'U'

It's in Africa, near Kenya.

# It is Uganda!

It's a landlocked country with a population of 45 million.

Its capital city is Kampala.

UTC +3 hours

Oli otya!

# Why is Uganda in the news?

Because a local musician and DJ Florence Lugemwa put together a band...

...made up of school pupils!

**Homeland brass band has 20 young musicians of all ages. They play trombones, trumpets, drums and other instruments!**

*Any child can join the band and get a free instrument...*

*...they just need to turn up and have fun learning new skills!*

# Over to you!

Using the world map, where is Uganda in relation to the Tropics and Equator? What do you think the climate is like?

Do you know any facts about Uganda?

What is your favourite musical instrument? Can you play it?

# Over to you!

Imagine you and your friends have a band. What would you call it? What sort of music would you play, and which instruments?

***Thank you!***
